### Request for Qualification Data to Furnish Engineering and Land Surveying Services

The City of Morton (pursuant to Chapter 61, Laws of 1981) is inviting statements of qualifications and performance information from firms interested in providing professional engineering and land surveying services for the 2024-2025 calendar years in conjunction with City sponsored projects. Potential project types for which engineering service is sought include water, sewer, stormwater, transportation, flood protections, surveying, general engineering, permitting, municipal buildings, street overlays, park maintenance and other miscellaneous municipal engineering projects.

A panel of staff will review the qualifications submitted for responsiveness to the RFQ details.

The selected consultant will be invited to enter into contract negotiations with the City of Morton for the agreed-upon scope of work.

Minority-and women-owned firms are encouraged to submit statements of qualification.

Then City of Morton is an equal opportunity and affirmative action employer.

Questions regarding this solicitation should be directed to the City of Morton, at the following address: 192 Adams Ave., P.O. Box 1089, Morton, Washington 98356. Response of interested firms is requested **no later than 5:00 PM November 27, 2023.**
